MODALART SHIPPING, STORAGE & REEFER CONTAINER SUPERSTORE -

CONTAINER SALES, MODIFICATIONS & DELIVERY

Founded in 2013, ModalART is a leading US supplier of shipping containers.

We are shipping container experts, including refrigerated and custom to-specification builds.

Leveraging our relationships with shipping & steamship lines, leading manufacturers, and lessors we maintain one of the largest inventories of containers in the US, available for immediate delivery in large or small quantities.

We routinely modify containers to client specifications, including emergency shelters, tiny homes, and mobile offices.

We drive state-of-the-art booth designs for exotic exhibitory builds at special events.
